MADE IN ITALY

Ceramic Tile | 32 pc per box  
Shiny Finish | 14 kg per box  
Wall Tile | 20 faces

The Radiance series reimagines the classic subway tile with a glossy, elongated format. Its reflective surface and shade variation create a captivating majolica effect, infusing any setting with vibrant colour and handcrafted charm inspired by American landscapes.

These versatile tiles are ideal for enhancing both indoor and outdoor walls, including kitchen & bathroom backsplashes, living areas, and various commercial applications, offering a lustrous or shimmering element to any space.

The Vitral series tiles feature a sleek, glossy finish that brightens and expands rooms by reflecting light. The collection offers a range of options, from soft, matte tones to bold, vibrant colours with a reactive glaze. A standout option is the Vitral Axis tile, available in shades like Caramel, Forest, and Petrol. These tiles have a unique crackle effect in their glaze, adding a rustic, handmade texture that contrasts with the series' modern, glossy feel.
